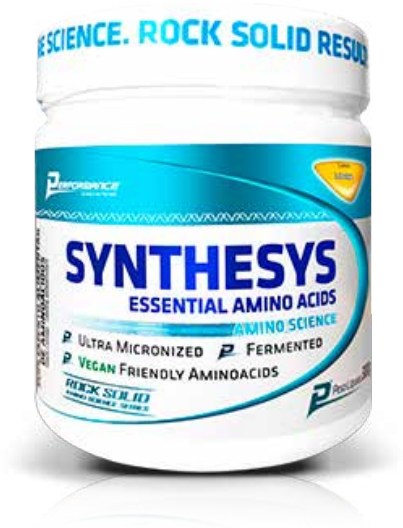
ESSENTIAL AMINO ACIDS

Product without registration requirement, according to RDC No. 27/10



»Fermented

»Vegan Friendly Amino Acids

»Ultra Micronized

»Sweetened with Stevia

" Gluten-free

»Contains no dyes or additives

SYNTHESYS ESSENTIAL AMINO ACIDS was developed by Performance Nutrition with a balanced formula of Essential Amino Acids. Provides 4g of Essential Amino Acids per serving, with only 1.6g of Leucine.

The source of obtaining **SYNTHESYS** Amino Acids is fermentation and imported raw material.

SYNTHESYS ESSENTIAL AMINO ACIDS has a delicious orange flavor and is sweetened with Stevia.

Suggested use: Consume once a day, preferably after physical exercise or as recommended by a nutritionist or nutritionist.

Preparation: Easily diluted, mix one serving (1 measuring cup) in 200 ml of water.

Ingredients: Leucine, Lysine, Valine, Isoleucine, Threonine, Phenylalanine, Methionine, Histidine, Tryptophan, Sweetener Sorbitol and Steviol Glycosides, Citric Acidicant, Natural Orange Aroma and Silica Antiumectant. GLUTEN-FREE.
