- » Package with 300g.

Amino Science BCAA Powder® Endurance Fuel is a product based on Branched Chain Amino Acids (BCAA powder) which provides 5g of protein in the balanced ratio of 2:1:1 (2500mg Leucine / 1250mg Isoleucine / 1250mg Valine). This combination of branched chain amino acids allows a reduction in recovery time and muscle recovery.

Vitamin B6: was added Vitamin B6 to its formula to optimize the assimilation of this product.

Amino Science BCAA Powder® Endurance Fuel is instantaneous and has a delicious taste.

Suggested Use: Add 1 full scoop of **Amino Science BCAA Powder® Endurance Fuel** in the shaker with 250ml of cold water. Stir for 45-60 seconds or until well blended. Consume 1 serving before, during or after physical activity or as recommended by a nutritionist and/or physician nutrition specialist. Take immediately after prepare.

Package: 300g.
